Objective

To find a position that utilizes my skills and prepares me for a career in the computer industry.

Received Training in

Windows and Mac operating systems
Microsoft Office: Word, Excel, PowerPoint
Adobe Creative Suite: Photoshop, Illustrator
HTML, CSS, JavaScript, and C

Work History

Web Developer - North Coast Calvary Chapel
9/12 - Present
Using HTML and CSS to create new pages modeled after designs described by the client; updating the content and layout of existing pages; creating the images for buttons and links in Photoshop or CSS; uploading images and videos to the servers as needed

Walkthrough Writer - JayIsGames.com
1/12 - 2/13
Writing detailed and comprehensive descriptions and directions for how to complete games in HTML format; creating and formatting applicable screenshots and diagrams; answering any questions users have about the game

Sandwich Artist - Subway Sandwiches - Cardiff, CA
5/10 - 11/11
Customer service and food preparation; maintaining a clean and well-stocked store; closing the store and counting the drawers alone almost every night

Delivery Driver - Round Table Pizza - Solana Beach, CA
8/07 - 6/08
Pizza delivery; food preparation; customer service over phone and counter; restaurant maintenance and cleaning

Sales Representative - Vector Marketing (CutCo) - San Luis Obispo, CA
3/07 – 8/07
Responsible for finding my own clients and setting up appointments; presenting, explaining, and demonstrating the product and its qualities; commission-based pay

Temp Worker - United Staffing - San Luis Obispo, CA
9/06 - 3/07
Political polling over the phone for compilation of statistical analysis; warehouse work

Education

San Dieguito Academy High School, Encinitas, CA, 2001 – 2005
    Honors and Advanced Placement Student
Portland Community College
    Current Computer Science Major
